Review & Approval

Functional Manager	**Corbin Christian**	(SIGNATURE)	Date:1/5/23

1.0 Purpose:

The purpose of this procedure is to provide a safe work environment for all personnel on any HubStarr Logistics properties.

2.0 Scope:

These procedures are applicable to all personnel on site.

3.0 Definitions:

3.1 ANSI: American National Standards Institute.

3.2 Material Safety Data Sheet (MSDS/SDS): Documents produced by manufactures that provide health, safety and precautionary information about their product.

3.3 Personal Protective Equipment (PPE): Specialize clothing or equipment worn by personnel for protection again health and safety hazards.

4.0 Legal Requirements:

All regulatory requirements must be met. Local regulatory standards and requirements will take precedence, except in those cases where HubStarr Logistics LLC standards are more stringent.

5.0 Guidelines:

5.1 Eye Protection

5.2.1 Approved safety glasses shall be worn while performing certain job functions listed below.

5.2.1.1 Work on batteries.

5.2.1.2 Handling concentrated acids, caustics, cyanide or other corrosive materials.

5.2.1.3 Using compressed air for spraying or cleaning.

5.2.1.4 Cutting with a torch or performing welding operations.

5.2.1.5 Any operation where there is an unusual hazard to the eyes.

5.3 Foot Protection

5.3.1 All employees shall wear closed-toed footwear at all times including office-type personnel who do not enter normal working areas.

5.3.2 All safety footwear shall provide adequate traction and ankle support for the task and current conditions.

5.4 Protective Clothing

5.4.1 When working with chemicals refer to the appropriate MSDS/SDS to determine the appropriate gloves, face protection, respiratory protection and outerwear that shall be worn.

5.4.2 When using knives/box cutters appropriate protective gear may include gloves.

5.4.3 For detailed information on area-specific requirements refer to area-specific Standard Operating Procedures (SOP).

5.4.4 Personnel engaged in electrical work shall have PPE consistent with NFPA 70E.

6.0 Responsibility:

6.1 It is the responsibility of all HubStarr Logistics LLC employees, contractors, vendors and visitors on site to know, understand and follow these guidelines.

6.2 HubStarr Logistics LLC Supervision: It is the responsibility of all members of HubStarr Logistics LLC, contractor and vendor supervision to understand and implement this guideline. Additionally, it is the responsibility of supervision to ensure this guideline is followed.

6.3 HubStarr Logistics LLC Management: It is the responsibility of HubStarr Logistics LLC management to provide the support and resources necessary for Supervision to successfully implement this guideline.

7.0 Documents/Records:

The acknowledgement sheet in the Health & Safety Guidelines book must be signed by every HubStarr Logistics LLC employee and submitted to the Health & Safety administrative assistant before commencing their specific work duties.

8.0 **Training:** The correct use of Personnel Protective Equipment is covered during New/Annual Employee training, and will be addressed as needed during Department safety meetings and new supervisor training.
